

*It's Not Funny,
It's Sexual
Harassment*

Stop it

You wouldn't say "That's so Jewish" or "That's so black" - that's racist - so you shouldn't say "that's so gay". It's equally as offensive to the LGBTQ community and it's sexually harassing language.

How can you respond when you hear it?

"Um, that doesn't even have a sexuality."

"What does that even mean?"

"Not cool; that's disrespectful"

"Gay doesn't mean weird or stupid. If it's weird, just say it's weird"

REPORT IT

If you see something say something. Regardless of race, gender, where you live, or who you are, everyone deserves respect and everyone deserves to feel safe.
