

Do  
You  
Know  
What  
to Do?

My swimsuit covers  
my private places.

No one should touch my  
private places and tell me to  
keep it a secret.

If someone tries to touch me in  
a private place, I can say...

Then, tell an adult.

# Remember the Safety Rules!

A Secret Unsafe Touch is  
NEVER your fault,  
even if you never tell!

1. Say NO!
2. Get Away
3. Tell an adult
4. Keep telling until you are believed

*sexual assault & child abuse recovery*
