

## Julie Valentine Center Holiday Assistance Gift Card Program 2024

While it might seem early to think about the holidays, Julie Valentine Center knows it's always a good time to think about giving, especially to contribute joy to the lives of the clients we serve. We are excited to work as a team to collect an assortment of gift cards this year as we intend to give the privilege and joy of shopping for those we love and know, which can truly be the most magical part of the season, back to our clients. Julie Valentine Center has launched our annual Gift Card Collection Campaign designed to curate an assortment of suggested gift cards from generous community partners like you to distribute to our clients in need. While we know our clients are always grateful to receive any gifts and necessities from JVC, shopping for family and friends during the holiday season can bring much more meaning to the spirit of the season.

Based on feedback from our clients, we curated the attached wish list of gift cards for your consideration and contribution. These gift cards will cover an array of needs for our clients during the holiday season and beyond. Any amount will be greatly appreciated and always valuable. **Please make sure each card clearly indicates the amount available.**

If you'd like to help JVC contribute joy to our client's lives this holiday season, please complete the attached commitment form and email to our Director of Philanthropy, Stacey Karesh, at [skaresh@julievalentinecenter.org](mailto:skaresh@julievalentinecenter.org) **no later than Friday, November 15.**
